## Before and After School Activities

The KLES PTA is proud to present the following clubs and activities! These clubs and activities will be offered by our amazing KLES teachers. Other after school activities are offered through outside vendors, they have a different registration process and require registration fees.

Classes will begin the week of 9/12/17, classes will be from 3:00-4:00 unless otherwise noted on the sign-up genius. All students registered through a PTA sponsored after school activity will meet in the gym at 2:45 for a snack and to take attendance. Please let the attendance line know if your student will be missing an after school activity on the day of their absence.

Students can be picked up at 4:00 when clubs are over at the front entrance.

PTA sponsored Clubs/activities are free to PTA Members but we are asking for a \$12 donation to the PTA to cover snack and teacher fees for non members. You can make the donation on the PTA webpage, click on the donate here button, or send it with your student on the first day of the activity.
