Announcing **LEGOS for Boys!!**
All boys in grades K-6 may join Mrs. Runyan on February 4, 2016 from 2:45-3:45 for a free Lego building session.
Please sign up on the KLES PTA website. Limit 30 students.

SCIENCE EXTRAVAGANZA

Kendrick Lakes is gearing up for our **Science Extravaganza**-- a night of curiosity, learning and FUN! We are reaching out to our community. Do you or someone you know have a Science/Technology/Engineering/Math talent, hobby or skill that you can share? Do you know a nurse or doctor who is knowledgeable in community outreach? Do you have a rock collection you are willing share? Do you have a great telescope you would allow kids to peer through? Might you be someone with building/engineering skills to help us build some exhibits? Please contact Tori Rommel at vrommel@jeffco.k12.co.us with your ideas, resources and time you are willing to share.
