

Volunteer with KLES PTA

Thank you for your interest in volunteering with KLES PTA. There are all kinds of opportunities to get involved. We invite you to volunteer (or not – really, it’s ok!) according to your interests and availability. Check out klespta.org for a more detailed calendar and more information about each event.

Please provide your name and contact information and check anything that sounds fun. Then return this form to KLES PTA in your student’s back pack or drop it in the KLES PTA box across from the school office. Also, watch for invitations to volunteer through Sign Up Genius.
