

NEW & EASIER SYSTEM!
Only 1 card needed!!

PLEASE SHARE WITH
FRIENDS AND
FAMILY!!

The King Soopers Community Rewards program is currently changing. As a PTA we will **no longer** have the plastic gift cards we have used for many years. Instead, you can link your **existing** Soopercard (used for discounts) to our school. You will only have to have your Soopercard from now on. Every time you shop and scan your Soopercard, you are earning money for our school!

As a PTA, we have the opportunity to make fundraising easier on all the families in our school!

Please follow these quick and easy steps to link your card.
