

Kendrick Lakes Elementary School  
Think, achieve, become.

*We, as Kendrick Lakes Dolphins, will **THINK** critically, to **ACHIEVE** academic excellence, and **BECOME** independent lifelong learners prepared to engage the world with empathy and integrity.*

As a valued local business and community leader, the Kendrick Lakes Elementary School PTA is reaching out to ask for your support in raising funds by becoming a Business Member of the PTA. This year we are looking to raise funds to support after school activities that were cancelled for the last two years due to the pandemic, ongoing technology needs, continued classroom support for teachers, and stadium seats for our new outdoor learning space. Because we are just starting the school year back in the building, we've decided to step out of our traditional fundraising ideas and go directly to community leaders and business organizations for their support.

This year, we have four Business Membership levels: Cannonball, High Dive, Dive, and Splash.

**\$500 – Cannonball Business Membership:** Includes everything in the High Dive Business membership, as well as a week long company spotlight on the KLES PTA Facebook and Instagram pages, a larger logo on t-shirts for ALL students and families, your logo front and center on the PTA website and all PTA communications, and the availability to have flyers set out at all PTA events.

**\$300 – High Dive Business Membership –** Your logo will be on the t-shirts for ALL students and families, your logo on all PTA email correspondence to every family in the school, and publicity on PTA social media.

**\$150 – Dive Business Membership -** Your logo on all PTA email correspondence to every family in the school and publicity on PTA social media.

**\$100 – Splash Business Membership –** You are a Business Member of the PTA and your business will be listed on the PTA website.

Don't miss this chance to support students and families in our community and help all children reach their full potential. We look forward to your participation in Kendrick Lakes' educational efforts.

We will follow-up this request with a phone call and email. In the meantime, if you have any questions or need further details, please contact Natalie Andersen, KLES PTA President or Miriam Laws, KLES PTA Treasurer.

Appreciatively,

Natalie Andersen – Kendrick Lakes Elementary School PTA President
